ABOUT ME

Associated professor of the Department of Artificial Intelligence and Information Systems at Samarkand State University named after Sharof Rashidov. Proven track record in leading conferences as a member of the programme and organising committees, including ICAIIT-2023 and ICABCS 2023. Skilled in Machine learning, web technologies, big data, SQL, programming languages (c++, python, php, javascript), and other programs that work in windows OS. Committed to advancing scientific research and fostering young talent within the field of artificial intelligence. Characteristics: Friendly, hardworking, responsible, creative, intelligent, punctual. Career goal: To train specialists who can contribute to the development of Uzbekistan and the world in the IT sector and to be role models for young generation in this process.

WORK EXPERIENCE

SAMARKAND STATE UNIVERSITY NAMED AFTER SHAROF RASHIDOV – SAMARKAND, UZBEKISTAN

ASSOCIATED PROFESSOR OF THE DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND INFORMATION SYSTEMS – 27/06/2025 – CURRENT

• University Overview:
Samarkand State University named after Sharof Rashidov (SamSU) is one of the leading and oldest higher educational institutions in Uzbekistan, established in 1927. The university is located in the historical city of Samarkand and offers a wide range of undergraduate, master's, and doctoral programmes across various fields of science, technology, and the humanities. SamSU is known for its rich academic traditions, strong research initiatives, and its mission to prepare highly qualified specialists to contribute to the development of science, economy, and society at national and international levels. *Website: https://www.samdu.uz/*

• Department Overview:
The Department of Artificial Intelligence and Information Systems at Samarkand State University focuses on education and research in cutting-edge technologies such as artificial intelligence, machine learning, data science, and information system development. The department aims to equip students with deep theoretical knowledge and practical skills required in the modern IT industry. It also actively promotes scientific research, innovative projects, and international collaborations in the field of AI and information technologies. *Website: https://www.samdu.uz/en/pages/suniy_intellekt_va_axborot_tizimlari_kafedrasi1*

• **Main activities and responsibilities**
- Giving lectures to students and giving advice on their professional development;
- conducting scientific research

SAMARKAND STATE UNIVERSITY NAMED AFTER SHAROF RASHIDOV – SAMARKAND, UZBEKISTAN

Business or Sector Education | **Department** Artificial Intelligence and Information Systems | **Email** devonxona@samdu.uz |

Website https://www.samdu.uz/

HEAD OF THE DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND INFORMATION SYSTEMS – 07/02/2024 – 26/06/2025

- **Main activities and responsibilities**

- Assisting in the organization of educational and scientific activities of the department and regular control;
- Organization of international relations of the department;
- Giving lectures to students and giving advice on their professional development;
- Organization of various spiritual educational events held in the department;
- Job training for young teachers

SAMARKAND STATE UNIVERSITY NAMED AFTER SHAROF RASHIDOV – SAMARKAND

Business or Sector Professional, scientific and technical activities | **Department** Artificial Intelligence and Information Systems |

Email devonxona@samdu.uz | **Website** https://www.samdu.uz/

PHD STUDENT – 04/01/2022 – 06/02/2024

- Conducting research within the topic of optimal distribution of data flow;
- To support the development of scientific activities of the department and to organize scientific conferences.

SAMARKAND STATE UNIVERSITY NAMED AFTER SHAROF RASHIDOV – SAMARKAND, UZBEKISTAN

Business or Sector Education | **Department** Information technologies | **Email** devonxona@samdu.uz |

Website https://www.samdu.uz/

TEACHER (ASSISTANT) – 04/09/2019 – 31/12/2021

- Giving lectures to students and giving advice on their professional development;
- Assisting the head of the department in organizing the activities of the department.

EDUCATION AND TRAINING

04/01/2022 – 06/02/2024 Samarkand, Uzbekistan

PHD STUDENT (05.01.02-SYSTEMATIC ANALYSIS, MANAGEMENT AND INFORMATION PROCESSING) Samarkand state university

Website https://www.samdu.uz/

04/09/2017 – 30/06/2019 Samarkand, Uzbekistan

MASTER'S DEGREE (INFORMATION TECHNOLOGY IN EDUCATION Samarkand state university

Website https://www.samdu.uz/

03/09/2013 – 30/06/2017 Samarkand, Uzbekistan

BACHELOR (APPLIED MATHEMATICS AND INFORMATICS) Samarkand state university

During the training, we studied 45 subjects, submitted course work in 3 subjects, last months of the 1st, 2nd and 3rd courses, we went to educational practice for 1 month, and in the 4th course, we went to pedagogical practice.
Main subjects that I studied are followings:

- Informatics;
- Probability theory;
- Fundamentals of programming;
- System programming;
- Discrete Mathematics;
- Calculation methods;
- Web-oriented programming;
- Database technologies;
- Protection of information;
- Calculus of variations and practical problems;
- Information Technology;
- Differential equations.

Completed coursework subjects:

- Theory of algorithms;

- Computational mathematics;
- Differential equations.

Website https://www.samdu.uz/ | **Field of study** Applied mathematics and informatics | **Final grade** Bachelor (87%) |

Thesis Technologies for automating the work of educational departments of higher educational institutions

02/09/2010 – 20/06/2013 Bulungur, Uzbekistan

COLLEGE STUDENT (BANKING) Bulungur College of Economical and Service

Address Changal village, F. Yuldash, Bulungur District, Samarkand Region, 140201, Bulungur, Uzbekistan |

Field of study Business, administration and law | **Final grade** Vocational Education and Training (97 %)

LANGUAGE SKILLS

Mother tongue(s): **UZBEK**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	B2	B2	B2	B1	B2
RUSSIAN	B1	B1	A2	A2	A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Ability to work with computer programs

Zoom | Microsoft Powerpoint | Microsoft Office package: Microsoft Word, Excel, PowerPoint, Access | Intalling/ Configuring/Uninstalling computer software | Adobe Photoshop (basic elements) | PDF edit | Google meet, Microsoft powerpoint | Google Docs | Google Drive | Editing Photo / Video | Chatbots

Programming and Web Development

Python Language - Basic knowledge | PHP Framework Laravel | Basic knowledge of WordPress! | Basic Knowlege of PHP/MySQL | Begginer JavaScript for WebDevelopment | Paskal | OpenServer | c++ | Experience with PHP, SQL, HTML, CSS, JavaScript | SQL and MySQL | Html, Css, Bootstrap | web security

PUBLICATIONS

2025

Automation of Data Flow Management Based on Artificial Intelligence in Systems with an Internal Distribution Mechanism

Write here the description...

AE Rashidov, AR Akhatov, FM Nazarov, IN Turakulov, 2025/7/22, Handbook of Intelligent Automation Systems Using Computer Vision and Artificial Intelligence, 75-102 p

Authors: Rashidov, A. E., Akhatov, A. R., Nazarov, F. M., & Turakulov, I. N. | **Journal Name**: Handbook of Intelligent Automation Systems Using Computer Vision and Artificial Intelligence | **Volume, Issue and Pages**: p 75-102 | **Publisher**: John Wiley & Sons

2025

Diagnosis of Diabetes Mellitus Based on Artificial Intelligence Algorithms

Write here the description...

A. Rashidov, D. Mardonov and A. Soliev, "Diagnosis of Diabetes Mellitus Based on Artificial Intelligence Algorithms," 2025 International Russian Smart Industry Conference (SmartIndustryCon), Sochi, Russian Federation, 2025, pp. 349-353

Authors: A. Rashidov, D. Mardonov and A. Soliev, | **Journal Name**: 2025 International Russian Smart Industry Conference (SmartIndustryCon) | **Volume, Issue and Pages**: p 349-353 | **Publisher**: IEEE Xplore

2025
An Approach Based on Data Profiling at the Preparing a Dataset for Cleaning

D. Junaydullaev, S. Tursunov and A. Rashidov, "An Approach Based on Data Profiling at the Preparing a Dataset for Cleaning," 2025 International Russian Smart Industry Conference (SmartIndustryCon), Sochi, Russian Federation, 2025, pp. 578-583

Authors: Dilshod Junaydullaev, Sherzod Tursunov, Akbar Rashidov | **Journal Name**: 025 International Russian Smart Industry Conference (SmartIndustryCon) | **Volume, Issue and Pages**: p 578-583 | **Publisher**: IEEE Xplore

2024
Effective Methods of Categorical Data Encoding for Artificial Intelligence Algorithms

Authors: Bolikulov, F.; Nasimov, R.; Rashidov, A.; Akhmedov, F.; Cho, Y.-I. | **Journal Name**: Mathematics | **Volume, Issue and Pages**: 12, 2553 | **Publisher**: MDPI

2024
The Distribution algorithm of Data Flows Based on the BIRCH Clustering in the Internal Distribution Mechanism

A. Rashidov, A. Akhatov and D. Mardonovdoi: 10.1109/SmartIndustryCon61328.2024.10516193.

2023
Real-Time Big Data Processing Based on a Distributed Computing Mechanism in a Single Server

Rashidov, A., Akhatov, A. R., & Nazarov, F. M.

2023
Optimization of the number of databases in the Big Data processing

Akhatov A., Renavikar A., Rashidov A., Nazarov F.

2023
Optimization of the database structure based on Machine Learning algorithms in case of increased data flow

Akhatov A., Rashidov A., Renavikar A.

2023
The Same Size Distribution of Data Based on Unsupervised Clustering Algorithms

Rashidov, A., Akhatov, A., Nazarov, F. https://doi.org/10.1007/978-3-031-36115-9_40

2024
Distribution of data flows in distributed systems using hierarchical clustering

A. Rashidov, A. Akhatov, I. Aminov, D. Mardonov ICAIIT 2023, Samarkand 2023, Novamber 3-4.

2024
Ichki taqsimlash mexanizmida ma'lumotlar oqimlarini boshqarish algoritmi

Authors: Rashidov A., Axatov A., Nazarov F. | **Journal Name**: Al-Farg'oniy avlodlari | **Volume, Issue and Pages**: 1(2), 2024, 76–82

2024
Selecting methods of significant data from gathered datasets for research

Rashidov A.E., Sayfullaev J.S. doi: 10.5281/zenodo.10781255.

2023
Pre-processing algorithms in intellectual analysis of Data Flow

Rashidov A.E.

2022
Development of the Big Data processing architecture based on distributed computing systems

Akhatov A., Renavikar A., Rashidov A. & Nazarov F.

2021
Big Data and its application in various fields

Akhatov A. & Rashidov A.

2021
Increasing data reliability by using bigdata parallelization mechanisms

A.R. Akhatov, F.M. Nazarov, A.E. Rashidov doi: 10.1109/ICISCT52966.2021.9670387

2021
Mechanisms of information reliability in big data and blockchain technologie

Akmal Akhatov, Fayzullo Nazarov, Rashidov Akbar doi: 10.1109/ICISCT52966.2021.9670052

DRIVING LICENCE

Driving Licence: B

CONFERENCES AND SEMINARS

08/10/2024 – 09/11/2024 Chennai, Tamil Nadu, India
VIT Technology Leadership Summit (VITTechLead 24)

I participated as a speaker at the traditional summit held at VIT University.
I gave a speech on the topic of Innovating Teaching Strategies Using Technology. In addition, I exchanged experiences with scientists and university managers who come from about 20 countries attended the summit.

24/03/2025 – 29/03/2025 Sochi, Russia
International Russian Smart Industry Conference 2025

I participated in this conference as an online speaker, presenting the results of our research entitled 'Diagnosis of Diabetes Mellitus Based on Artificial Intelligence Algorithms'.

24/02/2023 – 25/02/2023 Samarkand
International Conference on Artificial Intelligence, Blockchain, Computing and Security (ICABCS 2023) February 24-25, 2023. Special Session: Samarkand State University: Solutions for application of Machine learning and Blockchain technologies

The conference was orginized by Galgotias University. But Special Session: Samarkand State University: Solutions for application of Machine learning and Blockchain technologies was orginized by faculty of Faculty of Intelligent Systems and Computer Technologies. I worked at the conference as a member of the program and organize committee.

25/03/2024 – 29/03/2025 Sochi, Russia
International Russian Smart Industry Conference 2024

I participated in this conference as an online speaker, presenting the results of our research entitled 'The Distribution algorithm of Data Flows Based on the BIRCH Clustering in the Internal Distribution Mechanism'.

03/11/2023 – 04/11/2024 Samarkand
International Conference on Artificial Intelligence and Information Technologies (ICAIIT-2023)

I worked at the conference as a member of the program and organize committee.
My main task at the conference was to be in constant contact with the authors and answer their questions about the conference. I also worked as presenter at the conference on the days of the conference

PROJECTS

11/2021 – 10/2023

Grant of the Ministry of Innovative Development of the Republic of Uzbekistan No. IL–412104529 titled "Development of the Intellectual Software Product 'Sound and Text Transcript' for Recognition and Processing of Voice Signals to Generate Transcripts"

I worked as a Junior Researcher within the working group of this scientific project. My primary research activity during the project was the development of approaches for the efficient processing of large data streams.
